

**15 May 2026**

**Ref: EXTERNAL STAKEHOLDER NOTICE**

**RE: FINALISATION OF ASSESSMENT PROCESS FOR PRE-31 MARCH 2023 DISCRETIONARY GRANT CONTRACTS**

**Dear Valued Stakeholder,**

Reference is made to the FoodBev Manufacturing SETA communication dated **20 November 2025** titled **“Final Notice: Contract Closure for all Pre-31 March 2023 Contracts”**, which afforded stakeholders a final opportunity to submit outstanding evidence and supporting documentation relating to open discretionary grant commitments.

FoodBev Manufacturing SETA hereby confirms that the process of assessing and verifying all evidence and submissions received pursuant to the above communication has now been concluded. Following the completion of this assessment process, stakeholders are hereby advised of the following:

**1. Closure of Submission Process**

The submission window for outstanding documentation and evidence relating to pre-31 March 2023 contracts is now formally closed. No further submissions, representations, or supporting evidence will be accepted or considered after the date of this communication.

**2. Finalisation of Outstanding Grant Claims**

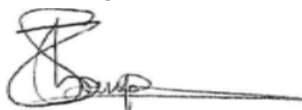

All submissions received within the stipulated timelines have been assessed and processed in accordance with the applicable grant conditions, contractual obligations and supporting evidence provided.

**3. Non-Submission / Non-Claiming of Grants**

Stakeholders who did not submit the required supporting documentation within the communicated deadlines, or who did not come forward to claim grants due to them from the SETA, will not be considered for further processing after this communication.

This notice serves as the final communication regarding the closure and finalisation of the above process. FoodBev Manufacturing SETA appreciates the cooperation of all stakeholders who participated in this exercise and remains committed to sound governance, accountability, and the effective administration of discretionary grant funding.

**Kind Regards,**

---

**Ms Zanele Sibanyoni**  
**Acting General Manager: Operations**  
FoodBev Manufacturing SETA
